Item 8.01 Other Events.

This Form 8-K is filed to update disclosures previously provided by Federated National Holding Company (the “Company”) in its Current Report on Form 8-K, as amended, filed June 8, 2015 and in its Quarterly Report on Form 10-Q for the quarter ended June 30, 2015, filed August 10, 2015 regarding the Company’s steps to comply with the cease and desist order dated May 19, 2015 (the “C&D”) from the Florida Office of Insurance Regulation (the “Florida OIR”) relating to the Company’s use of analytic modeling to assist it in underwriting its insurance products.

In compliance with the C&D, the Company’s wholly owned insurance subsidiary, Federated National Insurance Company (“FNIC”), submitted to the Florida OIR the necessary filing to enable the Florida OIR to review and approve the Company’s analytic models, and has engaged in significant dialog with the Florida OIR with respect thereto. To address certain comments received from the Florida OIR, FNIC will be withdrawing its filing and anticipates re-filing it in the near future. While this review process is ongoing, FNIC continues to rely on its current filed and approved rule-based underwriting to manage all new and existing business. The Company cannot predict at this time the outcome of the Florida OIR’s review of the amended filing or whether any restrictions, fees or fine will be imposed by the Florida OIR as it relates to the prior use of analytics.
