A webcast of the presentation will be available through following this [link](#), and also available in the investor relations section of the FedNat website. For more information on the IDEAS conference or to schedule a one-on-one meeting, please reach out to IR@fednat.com.

About the Company

FedNat is a super-regional insurance holding company that controls substantially all aspects of the insurance underwriting, distribution and claims processes through our subsidiaries and contractual relationships with independent agents and general agents. The Company, through our wholly owned subsidiaries, is authorized to underwrite, and/or place homeowners multi-peril, federal flood and other lines of insurance in Florida and other states. We market, distribute and service our own and third-party insurers’ products and other services through a network of independent and general agents.
