About the Company

FedNat is a super-regional, insurance holding company that controls substantially all aspects of the insurance underwriting, distribution and claims processes through our subsidiaries and contractual relationships with independent agents and general agents. The Company, through our wholly owned subsidiaries, is authorized to underwrite, and/or place homeowners multi-peril, federal flood and other lines of insurance in Florida and other states. We market, distribute and service our own and third-party insurers’ products and other services through a network of independent and general agents.
